Credential verification summary

Active · Confirmed in the CPS credential record

Scott Newman

Certificate in Criminal Behavioral Analysis

Certificate ID: CPS-2026-6CC1BE299456404E

Completed: November 1, 2026

Issued: November 1, 2026

Designation: Certificate of Completion

Status checked: 2026-11-08 14:08:29 UTC

Program scope

The Criminal Behavioral Analysis Certificate Program examines criminal behavior through psychological concepts, offender profiling, and the application of behavioral analysis in investigative contexts. The curriculum connects the field's foundations with practical analysis, cyber behavior, and advanced topics, providing subject knowledge about how behavior is studied within criminal justice.

Program areas: Introduction to Criminal Behavior Analysis; Offender Profiling Techniques; Cyber Behavioral Analysis; Ethical Considerations.

Recorded basis of the award

Core program requirements satisfied according to the policy and evidence saved with this award.

5 required quizzes passed.
