Credential verification summary

Active · Confirmed in the CPS credential record

Kelly Arriaga

Certificate in Financial Analysis

Certificate ID: CPS-2026-CB5C8412CED94F6A

Completed: September 26, 2026

Issued: September 26, 2026

Designation: Certificate of Completion

Status checked: 2026-11-09 23:13:59 UTC

Program scope

The Financial Analysis Certificate Program examines financial analysis alongside the broader analytical process and the collection and management of data. It connects questions, information sources, and data quality with the financial-analysis subject area, providing a foundation for understanding how information is organized and interpreted to support financial decisions.

Program areas: Introduction to Analysis; Data Collection and Management; Financial Analysis Module.

Recorded basis of the award

Core program requirements satisfied according to the policy and evidence saved with this award.

6 required quizzes passed.
